Hello and good morning.

My father Alfredo is trying to meet with Mr. Epstein as you know. He's trying to schedule an appointment with him any time after 4pm if it's possible. He tells me it's important but nothing more as to what about. Mr. Epstein knows my father for many years and if he can make room in his schedule that would be wonderful.

Thank you so much  
Have a great day :)

Hello Ronald...can you please help Alfredo and write an email for Mr. Epstein? That would probably be the best way to communicate. Mr. Epstein is very busy and cannot meet with Alfredo...

Thank you,
