Actually one perk is we get to take a private plane out of white plains so not as bad but
have to be on my game as we are presenting to all the leadership at Home Depot.
I wasn't so on my game after my last play date with you. Xoxox
And definitely June!!!

Of course I will!!!! Very Happy For YOU! and totally understand on
bowing out for tomorrow! I would do the same...6am flight means
about a 3am wake up...forget Thursday drinks FOR SURE!
We will find another time...we can look into June when June comes
round

Wishing you the best with Martha!

I don't fee obligated... I want to! Had fun last time and would love to catch
up!!!

However I now have to take a 6 am flight on Friday so I might have to take a pass this week. It's just week one with Martha so it's been very intense. The next two weeks may suck but after that I am hoping for time. Hopefully u will still play w me. Haha. :)
