Hi Les
See below
Appears Belarus passport with US Green card ok to enter Bermuda.
Russian passport requires vise unless they are Russian National? Is my interpretation of message from universal regulatory service.,

They will confirm shortly

Thx
Larry

Hello Larry, We show that if Belarus passport holder with USA resident card visa not required. This is per the travel info manual.
We will ask handler to verify correct.
We show according to below screen shot Russia passenger should have visa. We will star new file and ask handler to verify with local customs.

Hello Tango

1-Can you ask regulatory dept does a Belarus passport with US Green card need a Visa to enter Bermuda?

2-does a Russian passport need visa to enter Bermuda for the day?

This coming Friday, Possible TIST - TXKF - LFPB Bermuda trip.

Quick question

Pax 1 Karyna Shuliak one of our passengers has a Belarus passport with (US Green card).

And Pax 2 [REDACTED] had Russian passport, Do [REDACTED] and Karyna need a Visa to enter Bermuda for the day?

Appears we would fly TIST at 8am, my boss would like to spend the day in Bermuda the depart 1800 TXKF - LFPB same day.

Thx
