Incredible!

I'll address it to Ike going forward. Please keep the extra check for next month.

NY. Scott, I think you should address the envelope to Ike Groff and leave off  
RedHawk completely from the envelope. Still write the check to RedHawk however.  
This may be what is causing the post office to delay delivery? No need to put a  
new check for May in your mailbox tonight . If you didn't cancel the April check  
we can use it for June if you like. Let us know. I'm a huge seller of the post  
office. They stink.
