they have all been newly renovated and are all super nice...new furniture and paintings on the walls...since you just stayed in 10B, do you want to check out 7J for the May 8th trip and make your decision then?

>> Hi [REDACTED]...hope you made it out of town safe and sound...we can totally work with you for the remainder of the year whenever you need an apartment...if you could give me as much heads up as possible that would be best...Jeffrey wanted to let you know August should be easy but June and July could be busier with guests...so the most advance warning is the best! Would you prefer 10B or 7J? Those are my 2 available apartments...You are welcome to have a lock installed on one of the closet doors so you can keep some personal items...I have you down to stay in 7J starting May 8th...but I can switch it to 10B...just let me know. Also let me know how long you need the apartment for when you can...at the moment I have it blocked for a week.
