Hi [REDACTED]
I was actually typing a draft to send you while I was on the plane last night and not quite sure how something even came through! I was in Utah visiting my best friend so sorry I didn't get back to you sooner.
Thank you so much for your email. It truly means a lot you checked in.
I'm so glad [REDACTED] is doing well. He must be SO big! Time sure does fly.
Things are so busy here. I don't love my new school so am in the process of working someplace else. Fingers crossed. As far as having a baby, it hasn't happened naturally and as a result Nathan and I have been to numerous appointments to figure things out. We seem to fall into the "We aren't sure why your not getting pregnant" category. So on one hand there isn't anything wrong and on the other, we are going to need a little help. I'm willing to do whatever it takes. I will for sure keep you posted.
Please send [REDACTED] and Ike my love and let's keep in touch!
Xo

Hi Toni... [REDACTED]'s new tutor just came over and it made me think of you! How are things? All going well for you I hope!? Are you teaching? How is married life...OMG...and maybe you have a baby?!

[REDACTED] is SO big now I can't believe it...as big as me! Weighs more! Feet bigger...hands bigger...what happened? Makes me sad ...but happy too. He is playing tons of sports still...school is somewhat low priority...hoping that will change in due time...

We all miss you!

:)
