He did!! I will send all the girls an email to let them know we are going to try this...if it works, maybe we even try getting them to the airport as well with Uber..I just worry a tad that someday someone will blame Uber for missing a flight type of thing...

Jeffrey, would it be OK to see if we can save money on cars the girls take from the airport back to apartment when they return from travel? Bella says when we get charged 'wait time' it can nearly double the invoice...if the girls used Uber they merely use the app once they arrive the airport and an Uber car should be able to pick them up in 5 minutes. (I used Uber from LGA yesterday and it was super easy and way less than the car company I usually use)

OK to have the girls all try Uber for awhile from the airport?
