Hi Larry Please see email string below. In response to my question.

Per Margaret. Russia pax can arrive TXKF without visa if she has a USA resident/
Green card OR a valid USA visa.

She would need to have one of these documents on her at the time of arrival.

Margaret also said if she has a valid Canadian or British visa that would work as
well.

Belarus pax ok with USA resident card.

Shawn

Hi Margaret, We believe only the Belarus passport holder has USA resident / Green
card.

If the Russian passenger does not have a USA resident / Green card please
Confirm if she needed a visa. If needed must she have prior to arrival or can visa
be arranged on arrival?
