Hi [REDACTED]. I have emailed and texted [REDACTED] if she could help out with a sheet, pillow and blanket for Yoni's daughter who is sleeping on the sofa in 7J. These items may need to be purchased from bed bath and beyond? Sounds like extras are not kept around. Can you please help out here?

We arrived yesterday late evening.
The apartment is great.
Is't possible to have a bed sheet and a blanket for my daughter.
Many thanks.

Hi,

We had a flight delay so we'll be at the apartment about 1830.
