Hello [REDACTED],

I understand from Regiane that you're in the process of obtaining basic permits. If you it would help please don't hesitate to let me know the specific type of permits. Our concern is that you may need a master plan sooner than expected and would like to help you be prepared if so.

In the meantime, please think of us, and specifically me with respect to permits and approvals, as a resource.

Best regards,

Ralph M. Beiran, AIA
