I am so bummed! I have to go to Europe next week, but if they had an opening on Friday, that would be great.

Hi [REDACTED]

I am so sorry to bother you, but I am not going to be able to make my massage this afternoon because the CEO of one of my clients scheduled a board of directors call right during the middle of my massage appt.

Ugh. I looked everywhere on the Sacred Space website, and I cannot find a phone number to call to tell them that I need to reschedule. Can you help?

Thank you!

Kathy

Hi [REDACTED]

That is so nice! What about Tuesday or Wednesday, 3/22 or 3/23? The end of the day would work best for me.

Thank you!

Hi Kathy..Jeffrey would like to treat you to an Urban Detox message at

Sacred Space in NY...the
spa is fairly new and
opened by a very good

Monday's, Tuesday's and

for making an
appointment...if you let me
know when you might have
time I am happy to
organize.
