Body:

Had drinks with a friend, Sam Masoudi, who used to live in New Canaan, and work on the Tulane Endowment based in CT. Last year he took over as the CIO at the Wyoming Retirement Fund. The fund has roughly \$8.5 billion in capital. Most of the capital is with large well known HF like Bridgewater, Discovery, AQR, Pershing Square ect ect. I did not really discuss much about business but he did ask if I knew any emerging markets long short funds. I put him in touch with Patrick Andersen of East Rock.

in the last email with Sam he said this: "I want to have a broader conversation about trading with you when you have some time too. Maybe in a couple weeks if you are free."

I do not know if they allocate directly but happy to take there where ever it goes.
