Community PLAYshop in Connecticut on April 9th

Dear *Contact First Name*,

The news out of Belgium this week renews our decade long effort to instill a sense of safety and comfort in the hearts and minds of our children. Our prayers are with the victims, their families and friends and all those touched by terror.

What if every community had a simple way to tend to the emotional well-being of children after a traumatic event like what happened in France and Belgium?

PLAYshops help children and adults of all ages to **externalize stress and trauma** through carefully crafted fun and games.

Have you ever wondered what a PLAYshop is all about? Have you ever wondered if you or your children could benefit from a PLAYshop?

We want to personally invite you to our upcoming free and public PLAYshop Training at the beautiful Grace Farms retreat in New Canaan on Saturday, April

9th, at 1:30 PM with a short reception to follow immediately after at 5:30 PM.

Also please SHARE widely with your friends, colleagues and family members who you think would be interested to play!

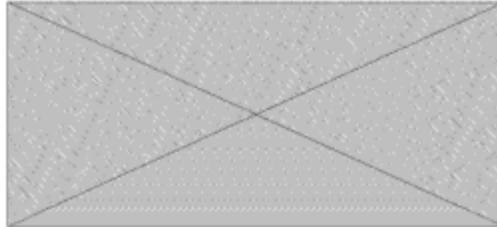

We hope to see you on April 9th,

Second Response Team
