Two guys and their wives are away for the weekend and the guys decide to try to persuade their wives to swap for the night. And they agree if they pull it off, the next morning at breakfast they'll tap their spoon on their coffee mug the number of times they did it. After a bunch of drinks the women agree, and the first guy smiles to himself because he knows it's his wife's time of the month.

The next morning they're at the breakfast table and the first guy taps his spoon on his mug three times. The second guy taps his spoon once on the strawberry jam and three times on the Nutella.

The operator says, "Just take it easy, I can help. First, let's make sure he's dead."

The guy comes back on the line and says, "Okay, *now* what?"

Ireland's never been known for its swimming, but one day the Irish Parliament decides they're going to assemble a swim team for the next Olympics.

They put an ad in the paper, "Swimmers Wanted For The Irish Swim Team."

One day there's a knock on the door at the fieldhouse, the swim team captain opens it, and there's a guy with no legs.

The captain says, "Can I help you, lad?"

The guy says, "I'm here to try out for the swim team."

The captain says, "But you've no legs."

The guy says, "But I can swim, mate. Toss me in the pool."

The captain tosses him in the pool and the legless guy *zooms!* from one end of the pool to the other.

The captain says, "Well, but you're in."

The next day there's a knock on the door, the captain opens it, and there's a guy with no arms and no legs.

The captain says, "What is it you want, son??"

The guy says, "I'm here to try out for the swim team."

The captain says, "But you've no arms and no legs."

The guy says, "Never mind that. You must see me swim."

The swim captain tosses him in the pool and the guy with no arms and no legs quickly wiggles his way from one end of the pool to the other.

The swim captain says, "I can't believe it. We can use you."

The next day there's a knock on the door, the captain opens it, and there's a head. No body, just a head.

The swim captain says, "Can I help you?"

The head says, "I'm here to try out for the swim team"

The swim captain says, "But ... but you're a *head*. Just a bloody head."

The head says, "Yes, that's true ... but I can swim like a fish. Please toss me in the pool."

The captain tosses the head in the pool and the head sinks like a stone.

The captain jumps in, brings the head up and puts it on a chair.

The head coughs up some water, and then says, "A hell of a time to get a cramp, eh?"
