Unfortunatley Fed Ex can only tell me they will deliver before 10:30am (however today the attempt was at 10:56am...so go figure)...you must take a government issued ID (drivers license is good) and the tracking number with you when you go to pick up the package ([REDACTED]) Hopefully you can retrieve it today...please keep me posted!

Yes this will be totally fine. I will try to go there later today and if not I will make sure that I am there tomorrow when they deliver, if they can tell you what time they will deliver it? i have no class until 2 tomorrow so am able to meet them whenever they come.

Hear you...The package is going back to [REDACTED]...can you go to this location between 4-9pm today? If not, Fed Ex will attempt one more delivery tomorrow ...If the mail center is closed and package is undeliverable, then they take back to the [REDACTED] location again and hold for 2 days....if you can't go over those next 2 days from tomorrow, then they send back to Jeffrey...Let me know what you can do! Sorry this is a pain!

That is so bizarre. That's not how it's supposed to be. If it's  
possible to have them at the FedEx office in Harvard  
Square I can definitely go pick them up today. Let's  
just do that! So sorry about that...something is  
definitely not right...
