Oh good! It was quite frustrating for [REDACTED] and he was very worried about not getting it completed. I hope he is able to upload properly today. (I do think it is FANTsTic that Saxe uses computers and Google docs, drive etc! Our kids need to know how to do this stuff!!). Thanks, [REDACTED]

Dear [REDACTED] and Ms. [REDACTED],
Thank you for your email. Many students experience technical difficulties uploading and sharing this project. We will be working on this in class together.

Best,
