Lesley, we would be happy to host the meeting in Joi's suite at the Media Lab. Joi can also certainly go to Martin's. Just let us know what would work best on your end. :)

Ah -- I might also have to be at the core dev meeting if it's happening.

I think the talks after lunch at the expo (excepting pindar's) look skippable to me. Joi do you have time in that window? (pindar's is at 15:50)

No worries. Jeremy can come for lunch and you can come when you are available. Might you know when you can scoot away for a bit?

What time will work with your schedule and will you be able to coordinate Jeremy and Moishe for Jeffrey? How can I help? Just let me know what works and we will make it happen! Thanks, Lesley
