Ok, sure thing! In that case, would it be possible to have the meeting start at 2:45pm? It will probably take them some time to get there....

The lunch ends at 2:30pm and Joi can meet after that up until he has to head to the airport at 4:45pm.
Lesley, we would be happy to host the meeting in Joi's suite at the Media Lab. Joi can also certainly go to Martin's. Just let us know what would work best on your end. :)

Ah -- I might also have to be at the core dev meeting if it's happening.

I think the talks after lunch at the expo (excepting pindar's) look skippable to me. Joi do you have time in that window? (pindar's is at 15:50)

No worries. Jeremy can come for lunch and you can come when you are available. Might you know when you can scoot away for a bit?
