Yes! I will let them know. What a bummer! I went last week and it was the best massage I have had! When can we reschedule for you and I will try to get you a new appt.

Hi Lesley,

I am so sorry to bother you, but I am not going to be able to make my massage this afternoon because the CEO of one of my clients scheduled a board of directors call right during the middle of my massage appt. Ugh. I looked everywhere on the Sacred Space website, and I cannot find a phone number to call to tell them that I need to reschedule. Can you help?

Thank you!

Kathy

Hi [REDACTED],
That is so nice! What about Tuesday or Wednesday, 3/22 or
3/23? The end of the day would
work best for me.

Thank you!

Hi Kathy..Jeffrey would like to treat you to an Urban
Detox message at
Sacred Space in
NY...the spa is
fairly new and
opened by a very
good friend of
Jeffrey's.
Monday's,
Tuesday's and
Wednesday's are
the best for making
an appointment...if
you let me know
when you might
have time I am
happy to organize.
