Hi nina!! thank you SO much for getting back to me...good to know dinner was not on your itinerary tonight! I'm sure Jeffrey hopes he can get together soon! Take care and have a good Sunday night.

Thanks for your email. We had not been counting on dinner tonight. We would usually be available for dinner on Sunday thru Wednesday nights and would love to see Jeffrey when he is available.

Hello Tim and Nina...I am not sure if anything was ever set in stone with dinner tonight, but in case it was...Jeffrey must unfortunately cancel...

I know I did not hear back from Brittany or Tim regarding confirmation of dinner, but sometimes I know Jeffrey and Tim speak! So if you did speak about dinner tonight, I'm afraid Jeffrey is not available...

Please excuse this message if nothing was ever set up!

Thank you,
