Subject: Re: Cost of Progressive Lenses? Remake Policy?

Thank you so much for this information...I actually dug in to the website and found another question...how do you know which progressive lens to purchase? you have 3 different types...Does it depend on your prescription? thanks! [REDACTED]

Hey Lesley,

Thanks for your interest in Warby Parker!

We offer progressive glasses starting at \$295 (and progressive sunglasses starting at \$375).

We also have a 30 day return/exchange policy, so if you receive the glasses and aren't completely in love, just let us know and we can exchange for them your single vision prescription and refund the difference in price.

If you have any other questions or need some more clarification please let me know! I would be happy to help.

Can't wait to get you some new glasses soon!

Best,
Lauren
