I can book Tristar  
(I just didn't know if it was better for Jet Suite to do so since they are flying the plane and will have tail number etc...just want to stay within protocol)

Since you are asking however, I assume it doesn't matter and will book Tristar now.

Rich/Larry...does Jet Suite book the vehicle for Jeffrey as well upon landing to get him to the MIT Media Lab? He will also need a

ride back to the airport. The address Jeffrey will need to be taken to and picked up from is below. So far it is Jeffrey, John Brockman, Max Brockman, Nicholas Negroponte and I am sure 1 or 2 assistants...he will need a large SUV for sure...
