Yes of course you may get your boxes from 7J today. No one is there. I completely understand not wanting to move around!

Hi [REDACTED]
no worries, I decided to stay here, at 11B, I prefer to have a place where I don't have to move around that much and I don't have time for that))) so I will stick here but thank you so much for letting me know. I would probably come by tmr and get my boxes I left earlier from 7J if that's ok?

Hi [REDACTED]...Tess is cleaning 7J today...have you decided what you want to do with apartments? If you prefer to stay put and not keep moving, I would stay in 11B...but totally up to you! If you want to move back to 7J let me know...Just know you could get bumped here and there for guests who Jeffrey wants to stay in 7J...
