Hello Richard, attached is the itinerary for you and you are all set for tonight.
This aircraft is based at Atlantic Aviation in TEB so that is where you will arrive into. If your cars are at Meridian we can arrange transportation over there. Thank you and please let us know if there is anything else we can do for you.

Hello Richard,

Attached are two options for tonights trip from BED-TEB. The Hawker 800XP has a WIFI and a brand new interior. As Mark explained you can use the funds for the leg tonight and then pay the difference. The extra amount would be \$2871.41 for the Hawker 800XP, and the cost for the Lear 55 would be \$1242.78. Thank you very much and please let us know if there is anythign else we can do for you.
