Hi [REDACTED]

Coincidentally I was just checking email. :)

Nathan is sending the French versions of *Modernist Cuisine* and *Modernist Cuisine at Home* ... we will also ship the *Photography of Modernist Cuisine* (English only). We've been collecting the French versions and I wanted to research the Customs issue so there was no inconvenience to Ariane. I think we'll be ready to ship Monday or Tuesday and I then planned to update you. I should also have tracking numbers which I can forward. Sound good?

Happy Saturday to you!

Claudia
