Hi [REDACTED]

I spoke to him one day when he came by to plow the driveway. I told him to continue to plow and send the bill to me.

Since you will now be taking over payment for snow removal, I wanted to ask if you would like me to make an introduction for you to the guy who has been taking care of it for use at 120 Oak? He is actually the same guy who does the lawn care service as well.
