Hi [REDACTED]..I have made you an appointment w/Dr. Orentreich for Wed. March 9th at 2pm. The appointment will cost \$350 which you must pay the day of. If you want to purchase any medicine from them that day, you will also have to pay for it then.

Dear [REDACTED]

Following your text I have 2 dermatologists. I think the one Jeffrey was referring to is the one I used to use -

Dr David Orentreich

I now use a different one-
Dr Gervaise Gerstner

I went on accutane when I was with Dr Orentreich but I had to ask him for it.

I don't know if Dr Gerstner is more of a cosmetic dermatologist but she cleared my skin with combination of topical treatments including retin A. I did ask for accutane but she would only give it to me if I would go on birth control. I love her.

I am telling you all of this because I don't want to recommend anything Jeffrey wouldn't approve of and I don't know which one he would prefer and which treatments he would think would be good/bad for you. Don't forget my skin is over 10 years older than yours so maybe they would treat yours differently.

Hope it helps

Xx
