Invoice Remittance and Contact Information

You are receiving this announcement as the bill to contact for InterCall invoices. Please distribute this email within your organization as needed to ensure your accounts payable systems are updated as needed.

InterCall is now West Unified Communications Services

InterCall has been a subsidiary of [West Corporation](#), a leading provider of technology-enabled communication services for more than 10 years. As all the West companies

continue to come together to provide an even stronger and more robust set of solutions for our clients, we have made changes to create a unified organization in the marketplace. These changes include InterCall and West IP Communications combining to form **West Unified Communications Services**.

It is important to note that while our name has changed from InterCall to West Unified Communications Services, our Employer Identification Number, Dun & Bradstreet, banking, remittance and contact information all remain the same.
