totally understand!

I am not sure what to tell you on availability...I think 7J is considered a 'premier' apartment...so if a guest comes that Jeffrey wants to go in there (like Karyna's parents) he may want you to move again...this being said, I do not know if Karyna's parents are coming back anytime soon or anyone else for that matter that he may want to put in there...If you prefer to stay in 11B I would totally understand!

Hi Lesley,
Thank you so much for your email. For how long 7j will be available if I move back there? I would like to have a permanent place at least till end of May-June bc Its pretty tiring moving back and forward every month;) I feel like a gipsy 💎

Hi [REDACTED]...Karyna's parents are not leaving until March 5th...did you plan to move back to 7J after they leave? I am having [REDACTED] clean on Monday March 7th. You could move from 11B to 7J either Monday March 7th evening or on Tuesday March 8th...let me know your plan. thanks, Lesley
