Michelle, I hope the New Years diet resolution has been going well, but now it's time to party ;)

Hi Ladies

Of course I have to be the spoiler! I can't book plans too far out, as I can never keep them. Unfortunately, I will be heading back on an airplane from Minneapolis on Thursday night, so I need to bail on our plans. Would love to reschedule if you guys are up to it, but totally understand if you still get together without me :(
