Good morning Michelle. This morning I reminded Jeffrey Barbara was following up on the Filipino couple, John Zygmunt, the Marshall couple and how is he feeling about hiring a chef still and his response was he has no time to think on this this week. I know this is very important to him it's just he has many many important things going on! I happen to know next week is very busy as well and he will be out of the country. I did receive the message from Barbara re a man she has known for over 29 years and placed in PB. I can call her later today in this. But honestly, Jeffrey will not be able to focus on this for a couple of weeks.

Thanks for all your continued hard work. I know Jeffrey will have this on the front burner again at some point.
