Yes, we have reserved 2 regular deluxe rooms on the concierge floor...the hotel is completely sold out of suites and all other rooms for that matter (I was lucky to get these 2) I have asked to be put on a wait list for a suite...keep fingers crossed...but it will be much easier to stay at the hotel where Jeffrey's conference room is (only an elevator ride away versus walking or having to drive to the hotel...and you can go back and forth from your room to the conference room...i think it will be way nicer...plus JE said it may rain while you are there..who wants to walk outside in the rain!)
