Hi Lesley

Hope you had a nice few days with family. Did not want to bother you so early in the day/week.

I did actually speak with Jeffrey yesterday, thanks. However, as I gather he will be in town again early in March, if he has a few minutes, I would like to stop by. No urgency though.

Best

Hi Larry...I was away all last week...wondering if you saw Jeffrey or we need to keep you on 'the list'! Please let me know. Thanks, Lesley
