**Subject:** I beat Bush

Hi Jeffrey,

I got more votes than Jeb Bush got in Iowa, and I only had one congressional district, he had four!! It's so funny (to me – totally embarrassing to him)!!! Still like Trump \* and might be a delegate to the republican convention.

Was in St. Thomas for a couple of days – did call this island, but never heard back. Went scuba diving off St. Jeff and it was beautiful. Would be totally funny (to me at least) if you put a big fake shark or statute under the water where the divers go....

Love ya,
