Oh my...Gloria called...Marvin died Jan. 24th...kind of a surprise as he had seemed to be on an upswing...there will be a "celebration of life" get together at the Media Lab on March 17th from like 3-5pm she says with reception afterward ...she hopes you will be able to come and that you will stay in touch with her...

She and Marvin were actually working on your birthday dinner letter together ...she has it written and needs to type it up...she said they discussed about 5 or 6 dinners in the paper and really had fun thinking on it all...she hopes to get back to it at some point so you can add it to your collection...
