Hi Natasha,...I need a biz class, one way ticket, direct flight from NY (any airport) to STT for Vince Mongegan (I have asked him to give me his full name and waiting for him to reply back)...but lets get started anyway! I need his birthday too...what are my options...

(If it is less money to do a round trip we can do that...he will be flying with JE back to NY however so the date does not matter for return trip)

thanks, [REDACTED]
