Great thanks [REDACTED], I'd like to let Eva know about it and gift the Dubin Center 10 sessions. It's probably best if I connect with her directly about it though to explain what we do

and how it can be of benefit etc. She'd asked me in January to reach out to her with info

on meditation so I could couple this with that. If you wanted to send an email with the info and sign up

and let her know that I'll follow up that would be great. This is the number I have for her but I don't have an email [REDACTED]

As for other people, Jeffrey hasn't asked me for anyone specific, if so, I've already reached out to them directly. These don't expire so if he mentions specifics, you and I can co-ordinate a nice reach out. The general info is:

'[REDACTED] started a healing concept in NYC and has designed an Urban Detox Ritual . . .'

deep tissue massage and would like to gift you one on behalf of Jeffrey.

Many thanks!
