It's his daughter's birthday and he is taking her out to dinner! He does appreciate that you keep trying and he swears he really has no social life! Just so happens when you call he has something going on!

Dr Fisch is leaving for Miami today and won't be back to NY until after 9pm tomorrow. He is very sad he can't make the meeting with you and Bobby and says he needs more than 24 hours notice for all these fun things! He wants to talk to you and asks for you to call him or he will try you later.
