Dear Ann and [REDACTED]
I hope this email finds you well.

According to the email below, we would like to confirm with Jeffrey if the proposed scope attached is what he is looking for the new island.

We also would like to know about the Survey. If you already have someone or would like us to suggest a Company.

Please let us know if you have any questions.

We are looking forward to hear from you soon.

Best,

Tamy

Dear Ann,

I hope all goes well.

We are preparing the Comercial Proposal and Project Team to send you shortly.

In the meantime, I would like you to validate the scope of the project with Jeffrey . Please find attached all rooms and areas that we are estimating for the Island.

Please kindly verify if there are additional spaces or areas that we should consider.

Also, I would like to confirm with you if you have the Surveyor on board.

Thank you and if you have any questions don't hesitate to contact me.

Best,

Tamy
