Just let him know there is no charge on that, the contractor it's gonna pay for himself in case Jeffrey agree.

Thanks,

Dear Lesley, would you send it to Jeffrey, from Arthur, please;

Dear Jeffrey,

My contractor from NY and Miami will be in Florida on Saturday. It would be great if he could meet us in St. Thomas to see the site and discuss logistics for this project. He is an excellent option for this work.

Would be possible to have him going along with us?

Best, Arthur.
