I made you an appt for 12:30 today...However, if you have taken any calcium supplements in the last 12 hours the test would be pointless... (so if you have taken any, I should cancel the appointment....)

Dr. Fisch says you can go for the scan you want today...Lenox Hill Radiology has openings today...call and make an appt and then let Madeline know what time you want to go and she will fax over the script/info...she cleared it with your insurance and they will pay for it.

Would you like me to call and make an appt for you for a 'scan'? (they may ask me what kind of scan you need?)
