Good afternoon Lesley!

I have our NYC phlebotomist, Nakema Autry (copied on this email), confirmed to perform Jeffrey's blood draw on **Thursday, February 4<sup>th</sup> at 7:30am.**

I have instructed Nakema to come to the following address:

**9 East 71st Street between 5th and Madison (across from the Frick Museum)**

I will also send the kit and lab requisition form to the above address, and ensure that both arrive by next Tuesday.

I will be sending you an email the day before the draw to go over any reminders (fasting, filling out the req form, ice pack, etc.).

Nakema's phone number is [REDACTED]

As always, please let me know if you or Jeffrey have any questions.

Thank you!

Best,

Ciera
