No worries there! We will send our maid in to take care of all. Hope you get the apt soon! What a headache! Please let me know around what time you plan to vacate the apt. Thx, lesley

Hi [REDACTED]

No luck...very frustrating. Mary and I will depart back to SD tomorrow still with no apartment. Thank you so, so much for your generosity.

What can I do before I leave to ease the clean up? Strip sheets? Take the trash out?

Peter
