Of course – that is probably even better since people won't be working until 5. We can start earlier. Ty will love Great Wolf for sure. It is awesome! See you on the 20th. I'll send an email to the gang to let them know you are coming.

Hi [REDACTED]

Of course you can stay here. And we don't mind hosting a family gathering either. Let me know when the trio is confirmed -then I'll invite the troops.

Laura Wright

Hi there. Do you think we could spend the night with you Friday 19th? And I don't know if y'all want to be the host house again for a family get together !! You do it every time! What do you think? Do we ask mom and randy for Friday night? Or Liz or cindy!? Or do you want to? I know Russel may just be getting home .. Be honest! Totally cool if it's all to much.

I had my first Lekue egg omelette today!! Awesome!!! 💎💎

It's looking like I won't be going to WUG in Las Vegas, at the moment. Things could change, but I was just informed I will probably be working on other client projects.
