HI Jennie and Dangene...Kathy Ruemmler is traveling this week through Thursday...she will be in NY on Friday and Jeffrey is hoping you could meet with her then? I know it is not ideal for you, but he is hoping we could make something work. On another note, Jeffrey will be in NY Wed. and the 2pm appt we have made will be good!

Please let me know if Friday sometime is possible for you to meet with Kathy..

Thanks,
