does not matter on credit card
might be easier to buy the entire year in 1 transaction for both of your accounts rather than
be bothered with 12 monthly charges
thanks for update

Hi Bella...I MUST get more storage for my Google Drive ASAP! I just purchased 1GB at \$1.99 per month on JE's Amex ...that card will expire 8/16...if you have a list of accounts that need to be updated with a new card come 8/16, can you add my Google Account to that list? I will also put in my reminders that Google Docs will need a new credit card...thanks

But I'm pretty sure that won't affect Google
Drive, so you're probably going to have to
upgrade the storage on Google.
