Hi [REDACTED], Arthur is arriving in Ny today, we do have 2 options, he can go back to Miami on Thursday and fly to St. Thomas, or go end of February, he will be in Ny from feb 26 to Mar 6th. (I only have to confirm the dates exactly, today is a holiday but I can confirm it tomorrow, but I am almost sure those are the dates). Let me know if that works for Jeffrey.
Best, Kelen

Hello Kelen...circling back to see if Arthur may have some other dates in the near future that he would be able to visit Jeffrey's island off of St Thomas and walk around with him.

Once again very sorry for having to cancel the prior trip!

Please let me know if anything might work and we will see if it meshes with Jeffrey's schedule.

Thank you,
