does not matter on credit card
might be easier to buy the entire year in 1 transaction for both of your accounts
rather than be bothered with 12 monthly charges
thanks for update

But I'm pretty sure that won't affect
Google Drive, so you're probably going
to have to upgrade the storage on
Google.

HI James and happy snow day!
My Google Drive says it is
dangerously low on storage
space...I read up a little ..I can
empty my trash (which sounds so
simple, but have not been able to
figure out) or buy more space.
thoughts? or help on emptying
my trash? Will this give me
enough? i am literally at 99% so
need a fix quick...

thank you! [REDACTED] (I will be in
Wed to JE's house, but thinking I
need help before this)
