Hi [REDACTED]...I am told you can take 2 bags with you...one to carry on with you and one to check...the 3rd bag will need to be weighed at the airport and paid for to go on the plane. or if you know the weight of your bag when you go on line and check in, you can pay for your extra bag then....on line check in link below:

I am still waiting to find out pricing and if an upgrade is possible for your seat....

I have booked you Carsco to pick you up from Teterboro and take you to JFK...the confirm will come to you in my next email. :) Lesley
