Subject: Google Drive Dangerously low on storage!

HI James and happy snow day! My Google Drive says it is dangerously low on storage space...I read up a little ..I can empty my trash (which sounds so simple, but have not been able to figure out) or buy more space. thoughts? or help on emptying my trash? Will this give me enough? i am literally at 99% so need a fix quick...

thank you! [REDACTED] (I will be in Wed to JE's house, but thinking I need help before this)
